Hi Tyler. I have been attending to a personal matter regarding a family member and have not been able to complete it. Rest assured you will get it soon. From what I gathered at the conference the judge only meant for the doc vendor to be at the meeting, not SETEC, so it will be the doc vendor.

Hi Emilio,

I wanted to touch base about the privilege log that was due yesterday. When should I expect it?

Can you provide some dates that everyone on your side would be available for our conference about the production. If possible I would like have it between January 8th and 12th.

Should I expect both TransPerfect and SETEC to be attending?

Have a happy new year,

Tyler
